to enter on the north side of the house. If we all double-park, we should get most cars in their lot. If not, additional parking is available on 12th street.

We talked at the meeting about 7 P.M., but some of us will have arrived earlier to set up. So feel free to come anytime after 6:15 or 6:30. We won't eat until 7. We have the place 'till 9 pm, and will need helpful volunteers to clean up afterwards (so we get our deposit back!).

Do plan to come--there's always lots of food and fun. It's a great way to start the Christmas season!

Yet another drive in the country.... Or: Cowrays all are we

Sunday the 7th was another beautiful day for a drive in the country. Thanks to John Smith who had the idea to educate us on the old west, we made a run to Oklahoma City for a tour through the Cowboy Hall of Fame. What a place. I still haven't seen near all of it (I get lost easily), but that didn't make it any less of a good trip. We had twelve cars from ACCC, with another joiner along the highway--Tom & Jamie from Independence. Then in OKC we were met by about six cars from the Tulsa Vette Set. Thanks for joining us, folks! From our club, in addition to John, were Fred, Pat & Barb, Jay W. and daughter Lindsay, Larry & Sharon, Kevin minus Cheryl, Jim Pond & Sylvia, Ray & Not Ray, Dick & Connie, Randy & Jackie (new guests in a new car), and the Burbachs.

A fine lunch was stuffed by all at the County Line Barbeque, right up the hill from the museum. I'm not sure there are sufficient dogs in the whole midwest to gnaw on all the bones we carried out of that place!

The most creative work to come out of the trip though, as often happens, was via chatter on the CBs. Don't ask what started it, but the mention of Ray and Not Ray as tag titles evolved (yes, we do that in Kansas!) into a litany of possibilities so we can all get into the Ray Craze! Since our car used to belong to Ray, it must become Ex-Ray (unless John wants that one to identify his day job). Even though we have five Larrys in the club, since Lampman was on the run, he's got first dibs on Lar-Ray. I figured Jay Wohlgemuth could be Ray Jay (who remembers, "you can call me Ray, or you can call me Jay....."), although he wants to be Hoo-Ray! I'm sure that'll be followed by someone who wants to be Ray Who? Pat & Barb's shiny new one can be Ray-Ed (which is reeeal Southern for red). Since Terry Lane is already Not Ray (who, of course, started all this silliness!), he doesn't need one. Therefore House can be Ter-Ray. Somehow Gamma Ray just fits Connie & Dick. At one point during the caravan down I-35, we all had to get on the brakes real hard. Since we were following the real Ray at the time, Daryl said for an instant he thought we would have to be Up Ray's. It's a good thing Kevin, who was right behind us at the time, was wearing his Ray Bans, so he could see to stop fast enough. I'm sure Don will want to be Ray Gun. Is there anyone old enough to remember an Air Rayeds? When we got home, Jay Ravenscraft immediately wants to be Ray-Ven. Manta Ray is up for grabs. The next club fund raiser will be a raffle for the ultimate tag--Sting Ray.

Until next trip..... Cindy B.

NOTICE NOTICE NOTICE NOTICE

Because of the problems we have been having with CB channel 15, I have been searching to find a more open channel. It appears that channel 31 is our best bet.

THEREFORE, THE NEW CLUB CHANNEL IS 31.

Does this mean I have to dump my old 23 channel CB? (Editor)
