### Message from the Prez . . .

Spring has sprung, the grass is turning green, and the tress are budding. Time to get those Vetts out. of the garage and go for a nice sunny cruise. We did just that when Preston led us on our March Drive and Eat to the Yoder Family Farm. We had a large group of about 50 people share a homemade family style dinner experience, and it was very delicious. Thank you Preston.

The Friday night car show and get together has commenced at Central and West Street starting at 6:00pm. A good time is had by all that come out to visit with friends.

So, did everyone find all the hidden eggs in the Easter snow? If not, you'll find them when you mow... What a wonderful day it was, snow in the morning, very little wind and short sleeve shirts in the afternoon.

We are going to try the river boat tour in Kansas City on April 16th since March madness canceled last month's attempt. Big corvette weekend is coming up April 21st thru the 23rd in Hot Springs, AR. I'm pretty sure we will have a few cars from our club going including mine. We will report back at the May meeting.

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. Hopefully, I'll see you at the next club monthly meeting at Davis-Moore Chevrolet Wednesday, April 6th.

Sincerely,  
Glen Bailey

## Minutes from the March 2, 2016 ACCC Meeting

Glen Bailey called the meeting to order and recognized the following new members and guests:

- Steve and Tamara Crusinberry
- Craig Sanford
- Mike and Sherry Dierking
- Artie and Marty Jacobucci
- Sam Hale from Blacktop Nationals

Kevin Mansfield noted the misspelling of Gary and Cindy Dyke's last name in last months minutes. Good catch Kevin and apologies to Gary and Cindy Dyke. The minutes were approved by a wide majority with only three opposed.

Sam Hale spoke to the club to explain what is going on relative to BlackTop Nationals. Rick Nuchols sold the company and it is now owned by area Ford dealers. Wichita Festivals is managing the show which will be held in conjunction with the Wichita River Festival. They will enforce rules to protect cars in the car show. They will have volunteers patrolling the show area to make sure people obey the rules. However, there will be no overnight security, so cars should be taken home overnight. The show is on June 10-11. Sam needs volunteers to help with the show.

Bob Battaglear reported 94 paid memberships.

Deb Schmitz was unable to attend, but sent the club bank balance of \$3,095.02 to be reported.

The final order for anniversary shirts will be placed after the April club meeting. Be prepared to order and pay at the meeting.

The cruise to Kansas City to the Arabia Steamboat Museum was postponed to April 16 due to the Big 12 tournament falling on the planned date in March.

Joe Elliott, who owns two C2 Corvettes, made a presentation about the development and history of the C2 along with many little-known details.

50/50 Pot winner: Rand King

Door prize winner: Gary and Cindy Dyke

Meeting was adjourned.

Respectfully submitted,  
Preston Hughes,  
Secretary

## National Corvette Museum Visit

I am excited to announce that Air Capital Corvette Club is planning a trip to the National Corvette Museum on Wednesday July 20, 2016 thru July 24, 2016. We have a block of 25 rooms (more can be added if needed) at the Fairfield Inn in Bowling Green. The hotel is just a few miles from the museum. We have a fun weekend planned. Such as a Corvette Plant tour, Museum tour and time at the Motorsports Park. There will be a drive and eat to a distillery sometime during our stay. For those that are interested you will need to make your room reservations by June 15, 2016 to secure block room rate. To make room reservations contact Fairfield Inn and tell them you are with Air Capital Corvette Club. Our negotiated room rate is \$99.00 per night or \$109.00 if you would like a suite. The suites are on a limited basis, so they are first come first serve. There will be more details to follow as the trip gets closer. I am looking forward to making this trip and hope you are as well. Feel free to call or email me if you have any questions.

## Minutes from the February and March ACCC E-Board Meetings

### February:

Bob Battaglear is still cleaning up the membership report. There were some duplications.

The main point of discussion was whether to present a proposal for an online member photo directory hosted by a third party, but accessible from the Air Capital web site or develop our own. The third party directory would have a cost involved, but would make the directory accessible with a smart phone app as well as through the Air Capital website. The self-developed directory would be at no cost, but would not have a smart phone app. The decision was made to give Kent Michael thirty days to develop our own directory.

### March:

Linda Tillman talked to the county about dates for the Ice Cream Social in July and the Christmas Party in December. Those dates are good to go and the county did not indicate they would require a deposit for the events since we have a good history with them.

We discussed who should carry the club banner in the Sundowner Parade. Older children and or adults were recommended due to the length of the parade and the weight of the banner.

Kent had made significant progress on the database for the photo directory, so it was decided to defer further discussion for another month in order to let Kent refine the directory.

Respectfully submitted,  
Preston Hughes,  
Secretary
